Project Address: _____	
<input type="checkbox"/> 1. New Construction	<input type="checkbox"/> 2. Addition Building Permit No: _____ Grading Permit No: _____

II. CONSTRUCTION ACTIVITIES*

During construction activities:

1. All storm water **IS** retained on site and no storm water runoff, sediment, or pollutants from on-site construction activity can discharge directly or indirectly off-site or to a river, lake, stream, municipal storm drain, or off-site drainage facilities.

2. All storm water runoff **IS NOT** retained on site, but does **NOT** discharge to a Water of the United States (i.e. drains to a terminal drainage facility). Therefore, a Storm Water Pollution Prevention Plan (SWPPP) has been developed and Best Management Practices (BMP's) must be implemented. Attach SWPPP prepared by a QSD.

3. All storm water runoff **IS NOT** retained on site, AND the discharge is to a Water of the United States. Therefore, a Notice of Intent (NOI) must be filed with the State Regional Water Resources Control Board prior to issuance of the building permit. Please provide the Waste Discharge Identification Number issued by the State (WDID No. _____) and attach a copy of your SWRCB Notice of Intent Receipt. Also, a Storm Water Pollution Prevention Plan (SWPPP) has been developed and Best Management Practices (BMP's) will be implemented. Attach SWPPP prepared by a QSD.

4. Construction activity is between 1 to 5 acres and an Erosivity Waiver was granted by the SWRCB. Please provide the Waste Discharge Identification Number issued by the State Water Resources Control Board (SWRCB) (WDID No. _____) and attach a copy of your SWRCB Erosivity Waiver Certification. BMP's must be implemented.

III. CERTIFICATION

"I certify under penalty of law that I am in compliance with the State General Permit and/or the County's NPDES Permit regarding the discharge of storm water associated with Construction Activity (No. 2009-0009-DWQ) for the construction site described above. I understand that discharging storm water off-site associated with construction activity may be unlawful under the State General Permit, the Clean Water Act, or the County's NPDES Permit where the discharge is not authorized by a NPDES permit. I am aware that there are significant penalties for submitting false information on this form, including the possibility of fine and/or imprisonment. I also understand that the submittal of this form does not release the owner, developer or contractor from liability for any violations of the General Permit, the County's NPDES Permit, or the Clean Water Act. I also certify this form has not been modified."
